

Pet Emergency Checklist: be ready when it matters most

Emergency Kit

- ☐ Clean towels or cloths (for bleeding or comfort)
- ☐ Pet-safe antiseptic wipes or solution
- ☐ Gauze pads and bandages
- ☐ Digital thermometer
- ☐ Tweezers (for splinters or stingers)
- ☐ Muzzle or soft restraint (only if safe to use)
- ☐ Pet carrier or crate
- ☐ Lead and harness
- ☐ Gloves (for handling injuries safely)

Home Preparation

- ☐ Know the location of your emergency kit
- ☐ Keep a list of your pet's medications and medical history
- ☐ Have a plan for overnight care if needed
- ☐ Identify a quiet, safe space for recovery at home

In Case of Emergency

- ☐ Stay calm and assess the situation
- ☐ Contact your Triovet immediately on  01354 694794
- ☐ Transport your pet safely or find a safe place to wait for our ambulance to arrive
- ☐ Provide basic first aid if advised and safe to do so
- ☐ Avoid giving food, water, or medication unless instructed
